Mermaid Roshan
and the Hidden Rainbow

A Pearl Castle friendship story

“Look, Daddy!
Pearl Castle!”

Roshan and Daddy landed at Sky Lagoon.
Pearl Castle was close by.

"Let's look inside,
Daddy," said Roshan.

Inside, dust covered the floor.
“Let’s clean it together!”

Daddy gave her a brush and a sponge.
"One little job at a time."

A dust bunny splashed in the dirty bath.
It loved to play. Splash, splash!

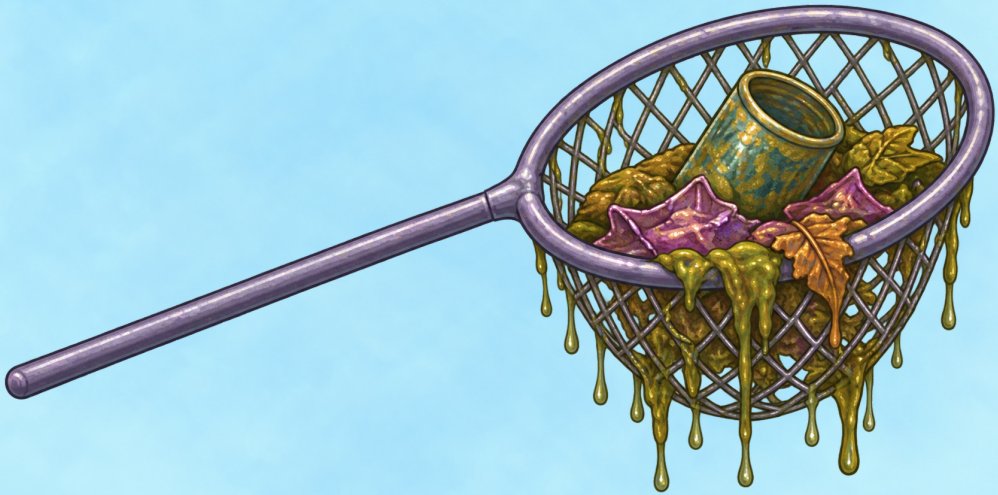
Round and round went the sponge.
Roshan wiped the sink clean.

Roshan let the dirty bath water out.
Then she scrubbed the tub. Scrub, scrub!

Clean water filled the bath.
The dust bunny splashed again!

A mermaid named Rumi was stuck
under the gunk in the pool.

This castle had been Rumi's home
for hundreds of years.
"I'll help!" said Roshan. Scoop, scoop!



One stream ran clear.
Roshan cleared the next... and the next.

All three streams were clear.
Whoosh! The waterfall turned rainbow!

Roshan pulled the cup free!

Fresh water flowed. The gunk was gone.
Up came Rumi. She was free!

"You helped me!"
said Rumi.
She gave Roshan
a great big hug.

Chirp, chirp!
“Someone needs help!” said Roshan.

Two dust bunnies had tumbled onto Baby Eagle.
They wanted to play, but he was stuck.

"I'll help!" said Roshan.
She brushed one bunny away, then the other.

Baby Eagle was free!
Now they could play gently.

Sorry!

We were just playing!

Brushes here. Paints there.
Roshan put each thing in its place.

Scrub, scrub! The table was clean.
Everything was back in its place.

One last door began to glow.
A rumble came from behind it...

Grand Puff!
He was so dusty.
He did not feel well.

"Hold on, we'll make you feel
clean and better!" said Roshan.

Daddy, Rumi, and Baby Eagle helped Roshan.
Together, they washed Grand Puff. Scrub, scrub!

Soft bubbles covered Grand Puff.
Under the bubbles, his colors began to shine.

POP! Grand Puff sprang out, rainbow bright!
The dust fell away.

Down came Grand Puff, soft and small.
He felt like himself again.

"Your rainbow was there all along,
Grand Puff. We helped it shine!"

“Come and play, Baby Eagle!”
The little dust bunnies played gently, too.

There was room for everyone.
They curled up in the bubbles and fell asleep.
