Mermaid Roshan and the Dust Bunnies

“Look, Daddy!
Pearl Castle!”

The plane landed at Sky Lagoon.
Pearl Castle was close by.

"Let's look inside,
Daddy," said Roshan.

“Oh, what a mess!
Where do we start?”

Sniff, sniff! The big door
was stuck.
"We'll come back!"
promised Roshan.

Daddy gave her a duster and two sponges.
"One little job at a time!"

Splash, splash!
The dust bunny wanted to play.
Gunk went everywhere!

First, the sink!
Round and round went Roshan's sponge.

The bunny was out.
Roshan pulled
the plug.
Swish! Scrub, scrub!

The bath was clean!
Now the bunny could play.
Far away: sniff, sniff.

Rumi was stuck in gunk.
“Can you help me?”

"I'll help!" said Roshan.
Scoop, scoop!

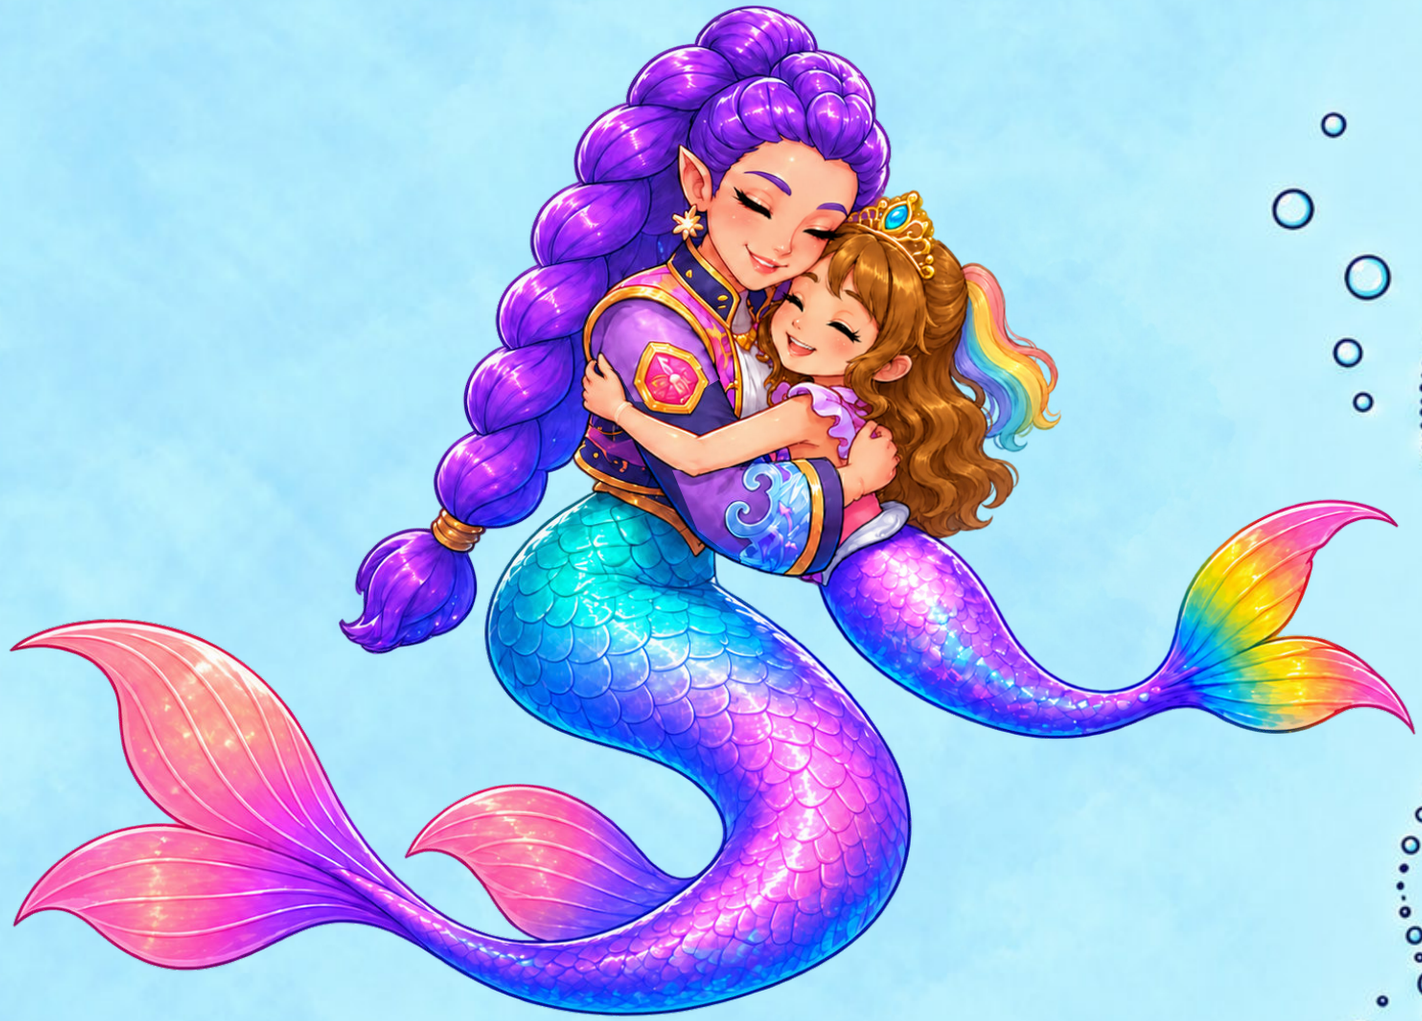
Rainbow colors
peeked through the gunk.

Whoosh!
The waterfall turned rainbow!

Out came the cup! Out splashed the water!

The gunk washed away.
Up came Rumi, free at last!

Rumi hugged Roshan.
"Thank you! Call if you need help!"



Chirp, chirp!
“Someone in the playroom
needs help!” said Roshan.

Two bunnies wanted to play,
but Baby Eagle was stuck under them.

She gently brushed one bunny away,
then the other.

Baby Eagle was free!
Chirp, chirp!

Sorry!

We'll be gentle!

Paints away. Scrub, scrub!
“One little job at a time!”

"We're back!"

Sparkles from the clean rooms reached the door.

Click! AH-CHOO!

Grand Puff sneezed.
AH-CHOO! Dust flew.
He didn't feel well.

“He’s too big to wash alone.
Can you help me?” called Roshan.

Daddy, Rumi and Baby Eagle helped Roshan.
Scrub, scrub! They washed Grand Puff together.

Soft bubbles covered Grand Puff.
Rainbow colors peeked through!

POP! Out jumped Grand Puff!
Down fell the dust.

Down came Grand Puff, soft and small.
"I feel all better!"

Pearl Castle was clean!
Friends can do big jobs together.

“Sorry about the dust,” said Grand Puff.
“Everyone needs help sometimes,” said Roshan.

"Come snuggle!" said Roshan.
There was room for everyone.

Pearl Castle needs help.
Where will Roshan begin?
