Mermaid Roshan
and the Hidden Rainbow

A Pearl Castle friendship story

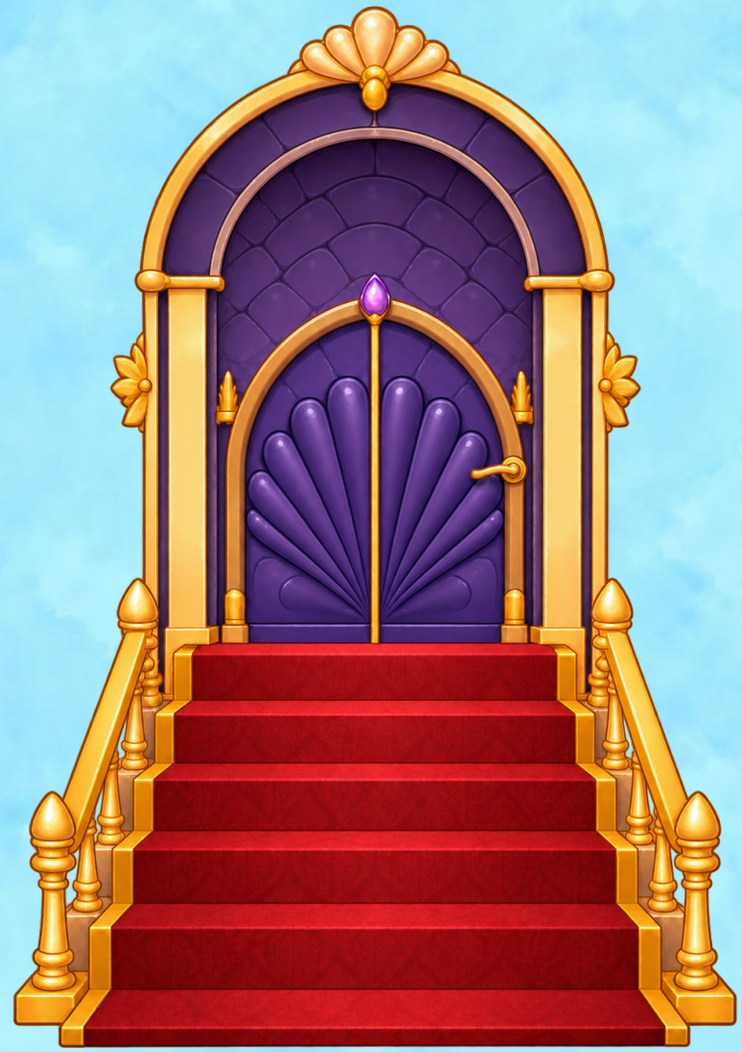
“Look, Daddy!
Pearl Castle!”

The plane landed at Sky Lagoon.
Pearl Castle was close by.

"Let's look inside,
Daddy," said Roshan.

Inside, dust covered the floor.
“Let’s clean it together!”
said Roshan.

Sniff, sniff!
Someone was sniffling
behind a big shell door.
“Hello?” said Roshan.



Daddy gave her a brush and some sponges.
"One little job at a time," said Daddy.

A dust bunny splashed in the dirty bath.
It loved to play. Splash, splash!

Round and round went the sponge.
Roshan wiped the sink clean.

Out went the dirty bath water.
Roshan scrubbed the tub. Scrub, scrub!

Clean water filled the bath.
The dust bunny was ready to play!

Rumi was stuck under the gunk.
She needed help!

"I'll help!" said Roshan.
Scoop, scoop!

Rainbow colors
peeked through the gunk.

Whoosh! The waterfall turned rainbow!
The swimming pool was magic!
It made the water rainbow-colored.

A cup was stuck in the fountain.
Roshan pulled it free. Whoosh!

The gunk was gone. Up came Rumi!
She had lived in Pearl Castle for hundreds of years.

Now she was free!

“You helped me!”
said Rumi.
She gave Roshan
a great big hug.

Chirp, chirp!
“Someone in the playroom needs help!” said Roshan.

Two dust bunnies sat on Baby Eagle.
They wanted to play, but he was stuck.
“I’ll help!” said Roshan.

She gently brushed one bunny away,
then the other.

Baby Eagle was free!
"Let's play gently," said Roshan.

Sorry!

We were just playing!

In the art room, Roshan put the paints in their places.
Then she scrubbed the table. Scrub, scrub!

Only the big shell door was still shut.
Behind it, someone sneezed... AH-CHOO!

Grand Puff!
He was covered in dust.
He did not feel well.

“Hold on, we’ll make you feel clean and better!” said Roshan.

Daddy, Rumi, and Baby Eagle helped Roshan.
Together, they washed Grand Puff. Scrub, scrub!

Soft bubbles covered Grand Puff.
Little colors began to shine beneath them.

POP! Grand Puff sprang out, rainbow bright!
The dust fell away.

Down came Grand Puff, soft and small.
He felt like himself again.

The art room was tidy.
One little job at a time,
Pearl Castle was clean again.

“We helped your rainbow shine!” said Roshan.
“Thank you!” said Grand Puff.
Roshan smiled. “Come and rest with us!”

There was room for everyone.
They curled up and fell asleep.

Pearl Castle needs help.
Where will Roshan begin?
