Story page 6 | Show the cleaning action

BEFORE — V27

AFTER — PROPOSED

The sponge now touches the sink in Roshan’s hand. The source shell sink and contextual border remain.

Story page 8 | A quiet hidden visitor

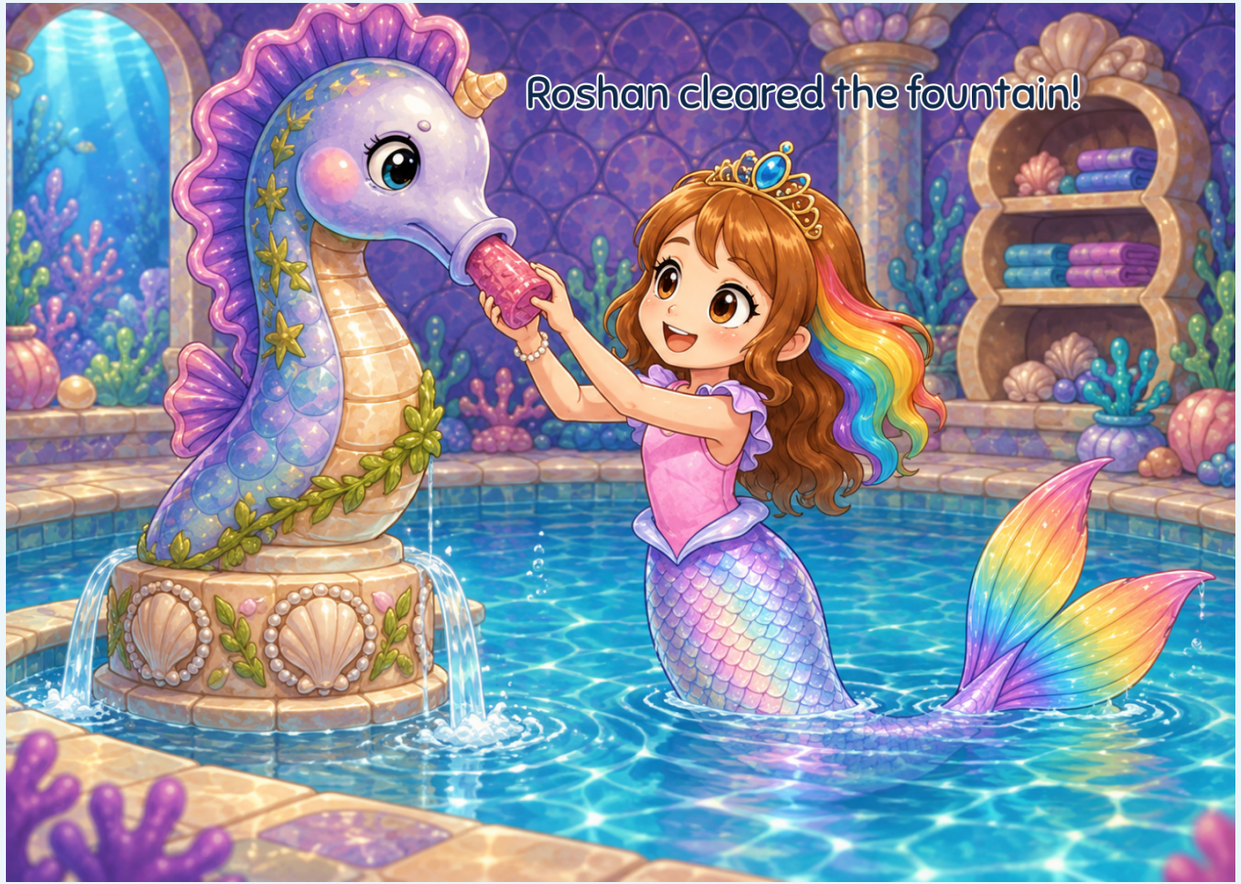
BEFORE — V27

AFTER — PROPOSED

One small Lamb-a peeks from the towels. No clue or search prompt appears on the child’s page.

Story page 13 | Make the fountain action readable

BEFORE — V27



AFTER — PROPOSED

The cup is visibly clear of the mouth; water flows into the pool. Caption names the concrete action.

Story page 15 | Give the hug a quieter page

BEFORE — V27

AFTER — PROPOSED

A connected character cutout replaces the scenic rectangle; the tiny fountain recalls the rescue.

Story page 18 | Clarify how Eagle is freed

BEFORE — V27

AFTER — PROPOSED

The brush contacts the bunny away from Eagle's face. The sentence supplies the missing action verb.

Story page 19 | Make the apology a conversation

BEFORE — V27

AFTER — PROPOSED

Larger speaking bunnies, central Eagle, compact rounded balloons and short curved tails.

Story page 23 | Give the words a clear home

BEFORE — V27

AFTER — PROPOSED

A quiet wall recess replaces only the distant shelf behind the caption; the painting action stays intact.

Story page 26 | Signal Roshan’s care

BEFORE — V27

AFTER — PROPOSED

Copy-only proposal: Roshan responds to Puff’s wobble. Existing art and spectator border stay unchanged.

Story page 27 | Replace the stretched ceiling strip

BEFORE — V27

AFTER — PROPOSED

An upward extension replaces the compressed strip; all original characters and lower scene are retained.

Story page 31 | Let Roshan speak to Grand Puff

BEFORE — V27

AFTER — PROPOSED

The rainbow Puff from the accepted landing replaces Daddy as the conversation’s visible recipient.

Page-turn proposal 1 | The glowing door and Grand Puff

BEFORE | Setup and reveal visible together

Current S24 (left)

Current S25 (right)

Pagination study only. Assumes S1 begins on a right-hand page.

Combine the current Eagle aftermath (S19–20) to shift later beats.

Reserve the freed page after the reveals; an earlier insert cancels this gain.

Current 34-page book remains unchanged.

AFTER | Proposed order holds the reveal behind a page turn

Proposed S22 (current S23)

Proposed S23 (current S24)
